

**SOCIAL WORKER**  
**Permanent – Full-time contract (6 months)**

At Grandview Children's Centre, we provide a range of multidisciplinary outpatient treatment services to children and young adults with physical and/or communication disabilities. We are dedicated to fostering development, growth and personal satisfaction – for our children, their families and for our staff members. Our multidisciplinary approach allows our staff to collaborate, share ideas, work with other professional disciplines and see a variety of case types.

Have you ever wanted a career that is close to home and allows you to make a difference in the lives of people in your local community? Then it's time you joined us as a team-oriented ***Social Worker***.

We are currently accepting applications from candidates holding a Master of Social Work degree. The successful candidate will have experience working with individuals and families as well as therapeutic groups and have experience in program development. Experience participating on an interdisciplinary team with a wide variety of professionals would be a bonus. The availability to work flexible hours, a valid driver's licence, access to a vehicle, and a commitment to leading the way to excellence in services makes you our ideal candidate.
